

VACAYA 2026 Northern Legends Cruise Pre-Cruise Experience at Crossbasket Castle A Regal Prelude in Scotland

MONDAY 25 MAY 2026
ARRIVALS INTO GLASGOW

Your grand Scottish arrival begins with a private transfer to the magnificent Crossbasket Castle, arranged through our trusted local partner, Little's.

Approximately 50 minutes before your scheduled pick-up, you'll receive an SMS from Little's with your chauffeur's name and direct contact number. Upon arrival, please make your way to the Arrivals Hall or, if arriving by train, to the end of the platform just beyond the ticket barriers. There, your chauffeur will be waiting with a sign bearing your name.

Your chauffeur should be easy to spot, smartly dressed in a grey suit and hat. Should you have any difficulty connecting with them directly, or should you find yourself waiting longer than expected, please contact Little's at +44 (0) 141 883 2111. Their team will be delighted to assist and ensure your journey to the castle begins as smoothly as possible.
